

FINGER LAKES SKEET LEAGUE

**LEAGUE PROGRAM
2018-19**

HISTORY OF THE FLSL

In the fall of 1938, a group of men representing several area gun clubs met to consider forming a “traveling” skeet league. After some discussion, the format of shooting once at each club during the winter months was settled upon.

The number of member clubs has changed over the years, with some clubs dropping out, others merging, new clubs forming and being admitted to the league. With the exception of the WWII years, the league has been continuous since its inception.

Present membership consists of seven clubs. 4-Point in North Chili, the only original member club remaining, along with Rochester-Brooks in Rush, Outlet in Penfield, Conesus Lake Sportsmen’s Club in Lakeville and the Newark, Victor and Dansville Rod & Gun Clubs in those respective towns.

There are now ten shoots, with the last one being the trophy and prize money shoot. The trophies and prize monies are given out at the end-of-season banquet.

Many other changes have been added, such as lady, sub-junior, junior and veteran categories. Some “make up’s” and “shoot-ahead’s” are allowed, but basically, NSSA rules govern the shooting.

In the 1950’s and early 60’s a charity shoot was held to support polio research. When a vaccine was developed for this terrible disease the shoot was discontinued.

In 1992 the charity shoot was reinstated. This is the league’s 2nd shoot of the season. Some of the proceeds of the charity shoot are used to support research into ALS. This shoot is dedicated to the memory of Walt Newhouse, a FL member who died of Lou Gerhig’s Disease (ALS), and in honor of Harold Contant and all the friends and relatives of league members afflicted with ALS.

The charity shoot also benefits the Mitchell-Heitman Fund, which helps sponsor youngsters who shoot registered targets at the New York State Championships.

The Finger Lakes Skeet League was formed 80 years ago for the purpose of friendly shooting competition and good fellowship. It is the oldest skeet league in the United States of America!

We invite you to continue this great Skeet Shooting Tradition by joining us at Victor Gun Club on the weekend of Sept. 15-16 for the beginning of another great season of shooting and good times!

Please feel free to invite your friends to join the league! Shooters at all experience levels are welcome to participate. Come watch the All-Americans and pick up some pointers! And be assured that when it comes to the league-ending "shoot off," there are 6 classes, equal prize money for each class, each class containing shooters with similar league scores. If in doubt, just check the Class winners as listed in this program!

Shooters are required to belong only to the league, dues of \$5 are paid at the first shoot. For the 2018-19 season, the cost of shooting will be \$13 for 50 targets -- \$9 to the club and \$4 to the prize fund.

The Finger Lakes League will hold its Annual Banquet at the close of the season at Rochester-Brooks Gun Club on April 27, 2019. One banquet ticket is earned by every shooter who qualifies for the main shoot off by posting 7 scores. Guest tickets will be available. We encourage everyone to attend! It is always a fun evening and this is where trophies and prize monies are handed out!

The Finger Lakes League rules allow you to shoot ahead or make up a shoot, on 3 occasions. You can do both at the same shoot for a total of 150 targets. This gives snowbirds a chance to finish the league, and also makes allowance for illness or other excuses, like a foot of snow.

We also allow an extra 50-birds at the last shoot of the season at Dansville on March 2-3 to count towards league score – this gives all shooters ONE MORE CHANCE to get 7 scores recorded and qualify for the shoot-off and free league banquet!

Don't forget to make every effort to attend our very important Charity Shoot this year at Newark on Oct. 13-14! Monies raised will go towards ALS research and to support the Mitchell-Heitman Fund for young shooters! League shooters have donated \$30,000 + to charity!

Thanks and good shooting!

Top 10 REASONS TO JOIN THE FLSL

10. **The clubhouse is warm, the bar is open, the grill is hot!**
9. **Golf balls don't roll in the snow, but clay targets will fly through anything.**
8. **It kills time until the last quarter of the Bills game.**
7. **A chance to travel "south" -- to Dansville and Conesus.**
6. **No overnights, you can leave the camper at home.**
5. **Cherry-pick the best weather of the weekend – the sun always shines for an hour or two – or skip the blizzard and make up at the next club.**
4. **Meet new people, negotiate a raise in pay to shoot for a new club, try a new gun, change your shooting style, man up to missing low 7 – no one will ever recognize you with that scarf and hat pulled over your face.**
3. **Everybody gets into a shoot off.**
2. **Trophies, door prizes, great food, costumes, everyone's a winner when you're having fun. Not a costume? Oops sorry, didn't recognize you without the scarf, hat, ear-muffs....**
1. **80 years and counting! History, tradition, come out and beat the All-Americans, the Hall of Famer's, the State team members, and maybe pick up a tip or two.**

FEATURES FOR 2018-19

- 1. The league program will be distributed via e-mail to all league members. This will be the responsibility of each club's director to see that all club shooters are notified.**
- 2. A league announcement, detailing the schedule for the current season, will be mailed to all league members who participated for the past several seasons.**
- 3. We will collect e-mail addresses in addition to mailing addresses at the shoots, in order to distribute all results to all members.**
- 4. The 2-man team event has been discontinued, due to lack of participation.**
- 5. League rules have been clarified to state that "membership" means membership in the league, that dues of \$5.00 are paid. Shooters are encouraged to belong to the club they shoot for, but are not required to be members. Shooters may not change club affiliation during the league season.**
- 6. The cost of shooting is increased to \$13.00 to include \$9.00 to the club for targets and \$4.00 to the league for prize money.**

THE BIG SHOOT

The Finger Lakes Skeet League and the Snowball League are both scheduled to shoot at Newark Rod & Gun Club on the weekend of October 13-14, 2018. This will also be the Charity Shoot.

Please be sure to support your league and club, better yet if you participate in both, because shooters will have the option of

- Paying entry fee of \$13 to both leagues, and shoot just one 50-target score which will count for both – OR --**
- Paying entry fee of \$13 to both leagues, and shooting 50-targets twice – shooter must designate which score counts for which league in advance when signing up**

Sign-up will be “first-come, first-served” as is the custom with both leagues, and 5-person squads will be assigned to fields as they become available.

Snowball League and Finger Lakes League shooters can and will be assigned to the same squad – most shooters already know everyone else, but for those who don’t this is a good opportunity to meet new friends!

Both leagues see this as a great opportunity for camaraderie, a chance for more shooters to get together, to meet new friends, save some gas – you’re getting a two-fer!

Last but not least, please don’t stay away because you think there will be long waiting lines! Newark plans to use all four fields! It wasn’t that long ago both leagues enjoyed participation rates at 200+ shooters -- so -- Y’all come! It’s going to be fun!
