# Four Point Rod & Gun Club

## Safety and Operating Rules

Safety is our foremost concern. Unsafe handling or misuse of firearms is cause for dismissal from membership and barring from the use of Four Point Rod & Gun Club facilities.

Every club member shares the duty and responsibility for following and enforcing these rules.

- 1) All venues open for shooting at 10:00 am and close at sunset or 8:00 pm, whichever is earlier.
- 2) Safe gun handling is required at all times. It is the shooter's responsibility to be familiar with the safe operation of all firearms he/she handles or uses.
- 3) Firearms must be unloaded and the actions open when uncased on Four Point property, except when actually shooting. Break-open firearms may have actions closed when in gun racks.
- 4) Eye and ear protection are mandatory for all individuals on all firearm venues. This includes shooters, spectators, and range personnel.
- 5) NO alcoholic beverages are permitted on any shooting venue at Four Point. Individuals deemed to be unsafe are not permitted on any shooting venue.
- 6) Any individual bringing a firearm onto Four Point property must be in legal possession of it under New York State and Federal laws.
- 7) Members are responsible for ensuring that their guests are familiar with the safe operation of all firearms or equipment they may use and that they understand and comply with these rules.
- 8) All children must be under adult supervision while discharging any firearm.
- 9) NO loaded firearms are permitted in the clubhouse, **with the exception of a pistol for which you are licensed to carry concealed in NYS**. If you carry a pistol, please follow all New York State and Federal laws in conjunction with the permit for a particular firearm.
- 10) Drivers on Four Point property must remain on the roadways, except to park, and maintain a speed of no more than 10 MPH
- 11) Individuals using the facilities of Four Point are expected to leave them clean and to place all trash in containers. All fired cartridge cases and shotgun hulls must be picked up and placed in the buckets provided. All casings and hulls left behind become the property of Four Point.
- 12) Pets are allowed on Four Point property. However, pets are NOT allowed in the clubhouse or on any shooting venue. Please pick up after your pet.
- 13) Trap and Skeet shooters must have their action open and firearm unloaded when moving from station to station.
- 14) Shooters may NOT use anything larger than 7 ½ shot anywhere on the property except the rifle/pistol range.
- 15) Trap shooters are not to load more than one shell at any time, except when shooting doubles. Skeet shooters are not to load more than two shells at any time.
- 16) For your own safety, do not attempt to adjust any trap or skeet machinery. Any problems with equipment should be reported to club management.
- 17) The rifle/ pistol range may not be used until you have been properly certified and instructed in our range rules and have earned a badge.
