## SHOOT REPORT

### FOUR POINT NOV. 5/6

The hunt for the Oct. Stein Winner continues with Colin Bachman and Bill Kalwas tied again w/ 47's so on to Outlet on Dec 3 & 4<sup>th</sup> for the Second Stein / Hayes shoot out and hopefully completion of the first. Targets at Four Point were not only challenging but also expensive to the club if you figure how many were thrown and not shot at on the second field due to machine issues self-triggering and never coming above the roof on angles. Targets are expensive, you get 10 look at and breakage targets per case and when you throw 25 to 30 extras away times 29 squads, do the math it's time to invest in new machines – Pat-Traps work, and rebuilt ones are very reasonable. The weather again was Trap Perfect but don't be surprised if that's the end of short sleeve weather until Spring! Next Shoot **Outlet Dec 3<sup>rd</sup> & 4<sup>th</sup>** and it's a **Stein / Hayes shoot** also, see you there.
