

FINGER LAKES SKEET LEAGUE

**LEAGUE PROGRAM
2025-26**

HISTORY OF THE FLSL

In the fall of 1938, a group of men representing several area gun clubs met to consider forming a “traveling” skeet league. After some discussion, the format of shooting once at each club during the winter months was settled upon.

The number of member clubs has changed over the years, with some clubs dropping out, others merging, new clubs forming and being admitted to the league. With the exception of the WWII years, the league has been continuous since its inception.

Present membership consists of six clubs. 4-Point in North Chili, the only original member club remaining, along with Rochester-Brooks in Rush, Outlet in Penfield, and the Newark, Victor and Dansville Rod & Gun Clubs.

There are now ten shoots, with the last one being the trophy and prize money shoot. The trophies and prize monies are given out at the end-of-season banquet/party.

Many other changes have been added, such as lady, sub-junior, junior and veteran categories. Some “make up’s” and “shoot-ahead’s” are allowed, but basically, NISSA rules govern the shooting.

In the 1950’s and early 60’s a charity shoot was held to support polio research. When a vaccine was developed for this terrible disease the shoot was discontinued.

In 1992 the charity shoot was reinstated. This is the Finger Lakes 2nd shoot of the season. The proceeds of the charity shoot are used to support our young shooters, charging them only for the purse money, not for targets. This shoot is dedicated to the memory of Walt Newhouse, a FL member who died of Lou Gehrig’s Disease (ALS), and in honor of Harold Contant and all the friends and relatives of league members afflicted with ALS.

The charity shoot also benefits the Mitchell-Heitman Fund, which helps sponsor youngsters who shoot registered targets at the New York State Championships.

The Finger Lakes Skeet League was formed 80 years ago for the purpose of friendly shooting competition and good fellowship. It is the oldest skeet league in the United States of America!

We invite you to continue this great Skeet Shooting Tradition by joining us at Newark Gun Club the weekend of Oct. 18-19, 2025 for the beginning of another great season of shooting and good times!

Please feel free to invite your friends to join the league! Shooters at all experience levels are welcome to participate. Come watch the All Americans and pick up some pointers! And be assured that when it comes to the league-ending "shoot off," there are 6 classes, equal prize money for each class, each class containing shooters with similar league scores. Everyone has a chance, an equal-opportunity shoot off! Shooters are required to belong only to the league, dues of \$5 are paid at the first shoot. The cost of shooting will be \$15 for 50 targets -- \$11 to the club and \$4 to the prize fund.

Directors have determined to continue an awards presentation with snacks, as opposed to nothing or to a big banquet, and to have the club hosting the Shoot Off be responsible for determining the program for this event. May 16 at Victor Gun Club– details to be announced, save the date!

The Finger Lakes League rules allow you to shoot ahead or make up a shoot, on 3 occasions. You can do both at the same shoot. This gives snowbirds a chance to finish the league, and also makes allowance for illness or other unforeseen circumstances.

We allow the extra 50-birds scheduled for the last shoot of the season at Victor on April 11-12 to count towards league score – this gives all shooters ONE MORE CHANCE to get 7 scores recorded and qualify for the shoot-off!

A change this year – the "last chance" shoot has been eliminated. Only those members who attend one of the first 4 shoots of the season, can have their scores count for their club's team.

A reminder, squads who refuse to shoot on their assigned field will be moved to the end of the line.

Thanks and good shooting!

Top 10 REASONS TO JOIN THE FLST

- 10. The clubhouse is warm, the bar is open, the grill is hot!**
- 9. Golf balls don't roll in the snow, but clay targets will fly through anything.**
- 8. It kills time until the last quarter of the Bills game.**
- 7. A chance to travel "south" -- to Dansville.**
- 6. No overnights, you can leave the camper at home.**
- 5. Cherry-pick the best weather of the weekend – the sun always shines for an hour or two – or skip the blizzard and make up at the next club.**
- 4. Meet new people, negotiate a raise in pay to shoot for a new club, try a new gun, change your shooting style, man up to missing low 7 – no one will ever recognize you with that scarf and hat pulled over your face.**
- 3. Everybody gets into a shoot off.**
- 2. Trophies, door prizes, great food, costumes, everyone's a winner when you're having fun. Not a costume? Oops sorry, didn't recognize you without the scarf, hat, ear-muffs....**
- 1. 87 years and counting! History, tradition, come out and beat the All-Americans, the Hall of Famer's, the State team members, and maybe pick up a tip or two.**

THE BIG SHOOT

The Finger Lakes Skeet League and the Snowball League usually shoot together at Newark Rod & Gun Club. At publication, this arrangement is yet to be verified and scheduled, so stay tuned and save the date!

Please be sure to support your league and club, better yet if you participate in both, because shooters will have the option of

- Paying entry fee of \$15 to both leagues, and shoot just one 50-target score which will count for both – OR --**
- Paying entry fee of \$15 to both leagues, and shooting 50-targets twice – shooter must designate which score counts for which league in advance when signing up**

Sign-up will be “first-come, first-served” as is the custom with both leagues, and 5-person squads will be assigned to fields as they become available.

Snowball League and Finger Lakes League shooters can and will be assigned to the same squad – most shooters already know everyone else, but for those who don’t this is a good opportunity to meet new friends!

Both leagues see this as a great opportunity for camaraderie, a chance for more shooters to get together, to meet new friends, save some gas – you’re getting a two-fer!

Last but not least, please don’t stay away because you think there will be long waiting lines! Newark plans to use all four fields! It wasn’t that long ago both leagues enjoyed participation rates at 200+ shooters -- so -- Y’all come! It’s going to be fun!
