

FINGER LAKES SKEET LEAGUE

**LEAGUE PROGRAM
2026-27**

HISTORY OF THE FLSL

In the fall of 1938, a group of men representing several area gun clubs met to consider forming a “traveling” skeet league. After some discussion, the format of shooting once at each club during the winter months was settled upon.

The number of member clubs has changed over the years, with some clubs dropping out, others merging, new clubs forming and being admitted to the league. With the exception of the WWII years, the league has been continuous since its inception.

Present membership consists of six clubs. 4-Point in North Chili, the only original member club remaining, along with Rochester-Brooks in Rush, Outlet in Penfield, and the Newark, Victor and Dansville Gun Clubs in those respective towns.

There are now eight shoots, with the last one being the trophy and prize money shoot. The trophies are handed out at the league shoot off, and prize checks are mailed to each club director after the shoot off.

Many other changes have been added, such as lady, sub-junior, junior and veteran categories. Some “make up’s” and “shoot-ahead’s” are allowed, but basically, NSSA rules govern the shooting.

In the 1950’s and early 60’s a charity shoot was held to support polio research. When a vaccine was developed for this terrible disease the shoot was discontinued, and the funds collected now go towards reducing the cost of shooting for Sub-Junior and Junior shooters.

The Finger Lakes Skeet League was formed 89 years ago for the purpose of friendly shooting competition and good fellowship. It is the oldest skeet league in the United States of America!

We invite you to continue this great Skeet Shooting Tradition by joining us at Rochester-Brooks Gun Club on the weekend of Sept. 19-20 for the beginning of another great season of shooting and good times!

Please feel free to invite your friends to join the league! Shooters at all experience levels are welcome to participate. Come watch the All-Americans and pick up some pointers! And be assured that when it comes to the league-ending "shoot off," there are 6 classes, equal prize money for each class, each class containing shooters with similar league scores. If in doubt, just check the Class winners as listed in this program!

Shooters are required to belong only to the league, dues of \$5 are paid at the first shoot. For the 2026-27 season, the cost of shooting will be \$15 for 50 targets -- \$11 to the club and \$4 to the prize fund. The cost of shooting for Sub-Juniors and Juniors is \$4.00.

The Finger Lakes League rules allow you to shoot ahead or make up a shoot, on 3 occasions. You can do both at the same shoot for a total of 150 targets. This gives snowbirds a chance to finish the league, and also makes allowance for illness or other excuses, like a foot of snow.

We also allow an extra 50-birds at the last shoot of the season at Dansville on April 17-18 to count towards league score – this gives all shooters ONE MORE CHANCE to get 7 scores recorded and qualify for the shoot-off!

New this season:

- Shooting hours 10-2 both days
- 4-Point & Dansville will each host a shoot but will combine shooters from both clubs to form one team
- A "mid-winter" break will occur in the months of January and February
- The awards dinner has been discontinued, trophies will be distributed at the shoot off, prize monies will be mailed to club directors shortly thereafter.

Thanks and good shooting!
